A Tangible Spirit of Genius

In the tone of the Weber Piano is an alluring sweetness hard to define—a humanly sympathetic quality that charms and holds the listener.

This might well be characterized as the spirit of the maker-Albert Weber, a true genius-but a tangible spirit. For the secret of the beauty of Weber tone lies in Weber con-

The Weber Piano

The principles of piano construction evolved by Albert Weber—present in the Weber Piano of both sixty years ago and today—have been widely and hopelessly imitated. For those qualities which characterize a Weber are as individualized as the style of a great author in his writing.

And Weber tone-through a marvelous piano action-is as responsive to the lightest feminine touch as to the strong hand of a master pianist.

A Beautiful Model of the Weber Piano May Be Purchased for \$500. Moderate Monthly Payments, if Desired,
